

OPEN CALL

Printed Web #3 will be a compilation of one-page submissions. Submit anything from the web/internet. There is no theme, only ideas: email, texts, code, snapchats, screenshots, flickr, tumblr, recipes, junk, stolen stuff, data, letters, archives, webcams, wikis, porn, lists, comments, NSA, geocities, google maps, documents, spam, darknet, friendster, passwords, anonymous, art, yelp, thumbnails, family photos, street-view, youtube, etc. Send each submission as a single US-letter size (8.5" x 11") PDF. Design and formatting is up to you. #3 will be portrait-oriented, like previous issues.* Your work will be attributed and your name included somewhere in the printed publication—no need to put it in the PDF (unless you want to). Multiple submissions are okay. [Send PDFs to: paul@soulellis.com](mailto:paul@soulellis.com)
